Art and Craft

Facilitator : Ms Marsha Aswani and Ms Auni Adnan (Providers from Discovery Studio)

Children are given an opportunity to make their own craft of different designs. Each lesson begins with artistic techniques and method allowing children to develop creativity and imaginative skills to create and design unique artwork and creations.

Baking

Facilitator : Chef Justine (a graduate in French Diploma in Patisserie at Le Cordon Bleu, Paris, currently based at 5 star Langham Hotel, Melbourne)

Join Chef Justine in exploring creativity, independence and math skills through a fun and exciting baking and cooking session.

Children will be learning about kitchen safety and hands on culinary as well as expanding their knowledge about nutrition and dining etiquettes.

Part 1 – 1st three recipes (Pizza Faces, Carrot Cake Bliss Balls, Lamington Balls)

Part 2 – 2nd three recipes (Frittata, Apple & Cinnamon Lines, Cake Pop)

Part 3 – 3rd two recipes (Chicken & Avo Sushi Squares, ANZAC Biscuits)

*Children are to bring their own containers if they wish to bring their food home.

Speech and Drama

Facilitator : English Today (specialist in English language has been delighting students with engaging classes such as Speech and Drama and Speak UP! Since 1993)

Join us for a wonderful speech and drama session inspired by the classical fantasy “Willy Wonka and the Chocolate Factory” by Roald Dahl.

Follow Charlie's adventure in the Chocolate Factory where many wonderful creatures and creations come alive.

Part 1 : Explore the chocolate factory with Charlie using movements and actions.

Part 2 : Learn more about the characters and act like Wonka or Oompa-Loompa through re-enactments and songs.

Science

Facilitator : Ms Marsha Aswani and Ms Auni Adnan (Providers from Discovery Studio)

Curious children will turn into junior scientists with the fascinating collection of experiments prepared. These experiments are perfect for the young child to get together into groups and watch the science come alive in front of them. It will help the child develop questions, problem solving and finding out answers.
